For treatment of

WEBS, SPIDERS (INCLUDING ORB WEAVERS, HOUSE SPIDERS, CELLAR SPIDERS, AND OTHERS), AND OTHER LISTED PESTS

WEB OUT

Product Information

Web Out kills spiders and helps prevent spider webs on surfaces that may support spider web attachment. This product can also be used as a contact pesticide to kill ants, crickets, mosquitoes, cockroaches and many other perimeter pest insects.

Web Out is a 25(b) FIFRA exempt product; therefore it has not been registered by the United States Environmental Protection Agency. Nisus Corporation represents that this product qualifies for exemption from registration under the Federal Insecticide, Fungicide, and Rodenticide Act. Web Out is biodegradable.

Web Out may be applied around vehicles and residential, institutional and commercial structures. Web Out can be applied to metal, wood, painted surfaces, brick, stucco, fiberglass, concrete, paneling and many other surfaces.

Web Out contains plant essential oils that are inherently fragrant. Limit interior applications to unoccupied or well ventilated areas such as, but not limited to: attics, basements, crawlspaces, sheds, outbuildings, greenhouses, garages or outdoor screened enclosures.

Products containing essential oils can stain surfaces that can absorb oil, including, but not limited to, plastic, vinyl siding, concrete, bare wood and materials painted with flat or semi-gloss paint. Do not apply to these surfaces if staining is a concern. Always test an inconspicuous area for colorfastness before use.

Product Application

This product is ready to use; no dilution required. Shake or agitate before and during use. Spray a fine mist on the areas to be treated. One quart covers up to 200-300 square feet of surface area. If overspray is a concern, apply Web Out with a sponge or cobweb brush. If overspray occurs, clean surfaces with warm, soapy water. Reapplication may be necessary depending on climate and pest pressures.

For spiders and spider webs: Spray directly on spiders, webs and surrounding areas, then use a cobweb brush or broom to clean the area.

User Precautions: Eye protection and nitrile or latex gloves are recommended when applying this product. This product's fragrance will dissipate in a short time. Do not apply to human or animal food, food contact surfaces or food crops.

First Aid:

Product can cause mild eye irritation. If product gets into eyes, flush with water. If inhaled, move to fresh air and seek medical attention if necessary. If ingested, seek medical attention. If on skin, wash well with water. Seek medical attention if symptoms occur.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Storage: Store in a cool, dry (preferably locked) storage area inaccessible to children and pets. Do not freeze. **If empty:** Place in trash or offer for recycling if available.

WARRANTY LIMITATIONS AND DISCLAIMER

To the extent not prohibited by applicable law, Manufacturer warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions, subject to the inherent risks set forth below. To the extent not prohibited by applicable law, **MANUFACTURER MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER EXPRESS OR IMPLIED WARRANTY.**

Inherent Risks of Use

The directions for use of this product are believed to be adequate and must be carefully followed. It is impossible to eliminate all risks associated with use of this product. Lack of performance or other unintended consequences may result because of such factors as use of the product contrary to label instructions, abnormal conditions, the presence of other materials, climatic conditions or the manner of use/application, all of which are beyond the control of the Manufacturer. The buyer/user assumes all such risks.

Limitation of Remedies

To the extent not prohibited by applicable law, the exclusive remedy for losses or damages resulting from this product (including claims based on contract, negligence, strict liability or other legal theories) shall be limited to, at Manufacturer's election, one of the following:

1. Refund of purchase price paid by buyer or user for product bought, or
2. Replacement of amount of product used.

To the extent not prohibited by applicable law: a) Manufacturer shall not be liable for losses or damages resulting from handling or use of this product unless Manufacturer is promptly notified of such loss or damage in writing; and b) **IN NO CASE SHALL MANUFACTURER BE LIABLE FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES OR LOSSES, INCLUDING WITHOUT LIMIT, HEALTH RELATED DAMAGES OR INJURIES.**

The terms of this **Warranty Disclaimer** and **Limitation of Remedies** cannot be varied by any written or verbal statements or agreements. No employee or sales agent of Manufacturer or the seller is authorized to vary or exceed the terms of this **Warranty Disclaimer** or **Limitation of Remedies** in any manner.

It is not intended that this product be used to practice any applicable patent, whether mentioned or not, without procurement of a license, if necessary, from the owner, following investigation by the user.
